## Pearson College Alumni Association Newsletter - April 2024

Dear Alumni,

Welcome to the first edition of the PCAA newsletter! As spring blossoms around us, it brings renewed energy and optimism. We hope this newsletter finds you well and filled with the season's spirit. As part of our commitment to staying connected, we're thrilled to announce that we'll be publishing quarterly newsletters. These newsletters will serve as a platform to update you on alumni news, events, and initiatives.

One initiative to highlight is the announcement of our T-shirt campaign. After a successful ceremony last year, during which we provided PCAA T-shirts for each graduate, we're planning to once again welcome new graduates as PCAA members. These shirts serve as a memento of alumni's time at Pearson College and symbolize their entry into our community. Your contributions have ensured that every graduate receives a shirt to commemorate this significant milestone in their lives.

We want to thank all of you who helped to reach this year's target for the T-shirt campaign. If you'd like to get a head start on next year's T-shirt campaign, please use the donate link on our website:

In line with our commitment to enhancing the alumni experience, we're excited to share that plans are underway to launch a merchandise website in the coming months. This website will be your one-stop destination for purchasing exclusive alumni memorabilia, apparel, and more. Stay tuned for further updates as we work diligently to bring our platform to life.

Finally, we are always busy on other fronts; we continue to support the College with reunion planning and broader alumni engagement, we are building out our communications capacity, and we are facilitating local alumni gatherings. We're grateful for your continued support and engagement. Your participation enriches the fabric of our alumni community and strengthens the bonds that connect us all.

The PCAA AGM is planned for this October. There will be three vacancies on the Council, and we encourage you to consider joining us!

As always, the PCAA is *your* alumni association, and through your continued participation in our work, we can build it into the organization we all want it to be.

Warm regards,

### **PCAA Council**
